

The principalship is a challenging and demanding position. It demands patience, leadership, and the ability to get along with young people of all ethnic backgrounds. It is a rare occasion to find all of these characteristics in a high school principal.

Ralph T. Conlon takes pride in Bulkeley High School and has taken time to prove to the city of Hartford that Bulkeley is a school in which academics is still a priority. A heavy concentration on academics combined with many extra curricular activies, makes Bulkeley High the great school that it is.

These are the reasons that we, the class of 1982, are honored to dedicate this yearbook to our diligent principal, Ralph T. Conlon.

## ON OUR WAY

Today we'll start a new life  
And we'll say our last good-byes  
To all the friends we've grown to love  
With whom we've laughed and cried.  
Remembering the fun and laughter,  
The problems and the fears,  
And watching all our memories grow  
Throughout our high school years.  
The memories of the dances  
And the new friends that we've met,  
Vacations, teachers, talking  
And exams we'd rather forget.  
Yes, high school days are precious but brief,  
Where all your dreams come true;  
It is not the end, but the beginning  
Of a life we'll start anew.

COACHING STAFF

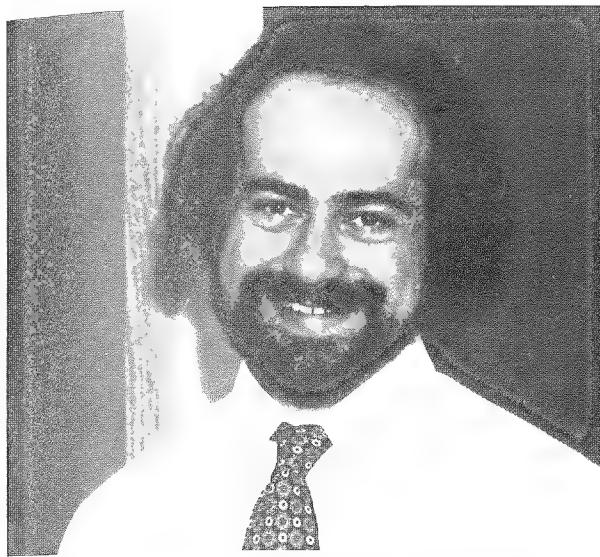

This year's yearbook staff has decided to make tributes to two teachers who will be leaving Bulkeley at the end of this academic year. Both teachers have dedicated twenty or more years to teaching at Bulkeley.

*Mrs. Elinor Pease* has been teaching mathematics at Bulkeley for twenty-four years. Upon retirement, Mrs. Pease plans to go camping and to travel abroad.

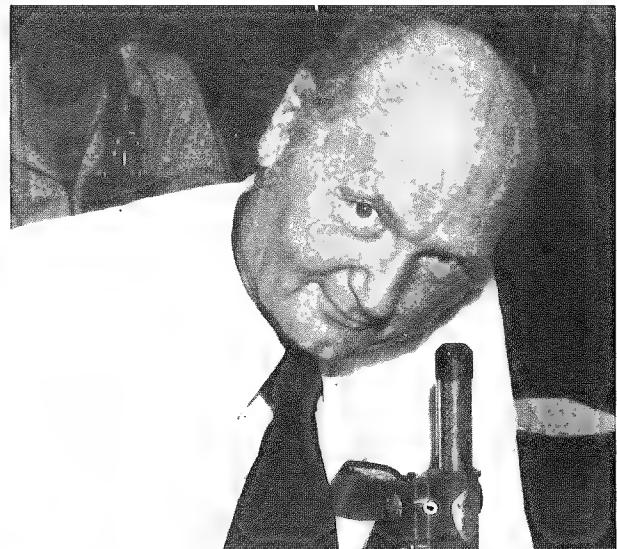

*Mrs. Marion Hamlet* has been an asset to the English department for twenty years. Mrs. Hamlet, upon retirement, plans to read, do some research, possibly trace her family roots and join the Hartford Historical Society.

We wish both of these dedicated teachers the best of luck with their plans and thank them for their devotion to educating Bulkeley students.

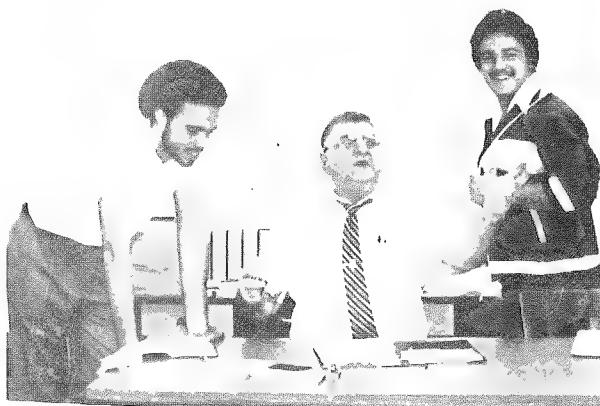

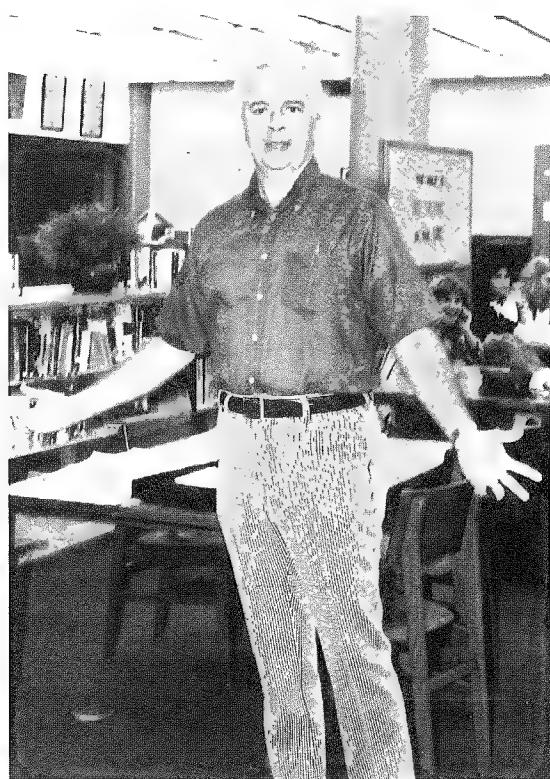

Isn't that IRONIC???

I've got my eye on you.

Let me tell you about my days at Villanova . . .

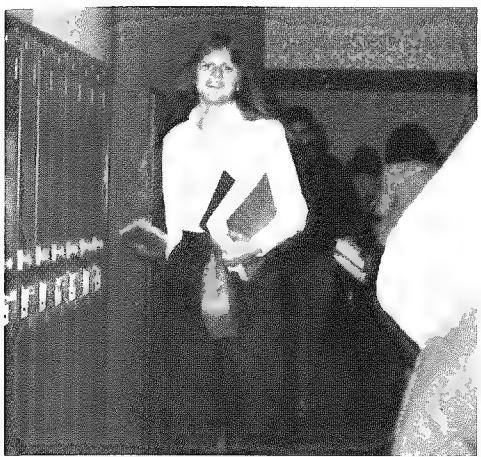

Are we going to have a yearbook or what???

# Boys' Cross Country

The Boy's Cross Country team had a tough season this year, finishing up with a 4-9 record.

Coach Vertefeuille, and the young squad are not discouraged because most of the team will be returning next year for the 1982-83 season.

Coach Roger Vertefeuille

Top Row: Scott Garrity, Billy Smith, Coach Vertefeuille, Jose Martinez, Alberto Flores (Capt.). Bottom Row: Dixon Vega, Angel Diaz, Edwin Nieves, Margaro Velez.

# Girls' Cross Country

This year's Cross Country team was very small. The team was made up of seven members, five of them freshmen.

# Volleyball

Front Row: Denise Dec, Angela Amadeo, Gloria De-Jesus, Genia Zelez.  
Back Row: Anita Soucie, Barbara Riley, Deneen Fernandez, Sophia Gray, Hilda Rodriquez.

Despite a lack of experience and numbers of this year's Varsity Team, they finished second in the CDC and tied for first in the City Series. What the team lacked in experience, they made up for in spirit. Final season standings were no indication of the great effort and skill displayed.
